

ARE YOU HOSTING  
THIS ANIMAL

IN YOUR HOTEL?

His name is  
ALI BONGO ONDIMBA

A ruthless despot

A very dangerous animal pillaging  
the Republic of Gabon.

He may be staying at your hotel.

**GET HIM OUT.**

Would you allow **Muammar Gaddafi**, the crazy, delusional Libyan despot currently murdering his people to cling to power, at your hotel? If not, get this man out of your hotel and never allow him back. He is planning a Gaddafi-type of bloodshed against his people, just to stay in power.

**His father ruled Gabon for 42 years.** In 2009, he took over from his father in a stolen election and is planning to stay in power for at least 28 years, making Gabon a monarchy ruled by the same family for 70 years!!! Only animals would do that, no? **GET HIM OUT.**

- **He has Gabonese blood on his hands.** And the money he is paying you is stolen.
- **For 43 years,** he and his father Omar Bongo Ondimba have ransacked the coffers of the oil-rich Republic of Gabon, leaving 60% of the population starved and miserable. 60% with less than \$1/day.
- **The U.S. Congress** found that Ali Bongo gave \$25 million of Gabon's money to his wife to buy a villa in Malibu, California, and the man recently bought himself a \$120 million private hotel in Paris.
- **His father** even went to die like a rat in a hospital in Barcelona, Spain, because he built no decent hospital in Gabon in 42 years of despotic rule. How shameful is that? **GET HIM OUT.**

**YOU DON'T WANT THESE TYPES OF PEOPLE STAYING AT YOUR HOTEL, DO YOU?**

**Next time** he wants to stay at your hotel, **say NO.** **Next time** he stays there, the Gabonese community in the USA will demonstrate at your hotel to tell the world you are welcoming dictators and collecting blood money, stolen money from the poor people of Africa.

**GET THE ANIMAL OUTTA THERE. NOW.**
